

You have entered the Domain of Howick Bowls. *Welcome* to a lively and progressive Club.

Howick Bowls consists of three sectors.

1. Howick Women's Bowling Club Inc
2. Howick Bowling Club Inc (Men's)
3. Howick Bowls Board.

Each Club organises its own day to day activities relating to the running of all Bowling events, the Boards primary function is maintenance of buildings and grounds. This arrangement works very well.

A two level, very comfortable and warm building, the upper level (main lounge) with a pleasant Panoramic view overlooking the greens to the sea. The lounge has toilets, bar and kitchen facilities. This lounge is maintained at a high standard and hired out for the purpose of Weddings or selected functions.

The lower lounge area with toilets and match room, has its own bar and accesses the greens, also very comfortable.

Two artificial greens are used in winter and three Cotula greens are available as well during the Summer Season. The greens are maintained to a very high standard by a full time green keeper and a group of enthusiastic volunteers.

The volunteers also maintain the extensive surroundings, creating a pleasant bowling environment.

Roll ups during Summer on Tuesday Thursday and Saturday afternoons.

Mid week tournaments for ladies, Winter Tuesday, Summer Wednesday.

Mid week tournaments for men, Summer and Winter Wednesday.
